Street Boss –  
Itameri (Exceed And Excel)  
3yo Ch. C, 2017

Trainer:

*He's the most talented 2yo we have had since Alinghi. Just incredible power and burst of acceleration when asked.*

*I would expect he will be an influential source of early speed.*

**By an elite speed influence and the best son of Champion Sire Street Cry from a regally bred daughter of World Champion 2yo sire Exceed And Excel...**

Winner of his first three starts, ALL at Stakes level, ALL in eye-catching style before a fast finishing 2nd in the Gr1 Blue Diamond Stakes as favourite.

11/03/2021

It is with tremendous excitement that Rosemont has secured last season's outstanding, multiple stakes winning 2yo **HANSEATIC** to stand at our iconic Gnarwarre stud.

Hanseatic became the first 2yo since Champion colt RANCHER to win the *Merson Cooper Stakes* (L), *Blue Diamond Preview* (L) & *Blue Diamond Prelude* (Gr3) with only bad luck preventing him from joining Rancher in adding the *Blue Diamond Stakes* (Gr1)

The Anthony & Sam Freedman trained colt is a son of high-class speed influence & source of multiple Group one winners Street Boss and from the winning Exceed And Excel mare Itameri, herself a close relation to the immortal BLACK CAVIAR.

Hanseatic won his first three starts, all at stakes level, all in eye-catching style before a fast finishing, close 2nd in the Gr1 Blue Diamond Stakes as even money favourite. He was the buzz horse this time last year and deservedly so.

In fact, he had won three individual 2yo stakes races before the majority of stud bound colts for this season had won their first! **He possesses precocity, x-factor, speed, class, rock star looks and retires with an elite 2yo rating. Not to mention, he is from the immediate family of the fastest we'll ever see, BLACK CAVIAR."**

Trainer Anthony Freedman described Hanseatic as an 'electric' 2yo.

"He's the most talented 2yo we have had since Alinghi. Just incredible power and burst of acceleration when asked. I'd expect he will be an influential source of early speed" said Freedman.

Hanseatic ended his 2yo season at the pointy end of many a ratings expert. Leading RSN form analyst Deane Lester described the colt as 'one of the classiest 2yo's I have measured leading into a Blue Diamond. An elite juvenile who rated extremely highly'.

Respected analyst, Daniel O'Sullivan of the Ratings Bureau tweeted his 2yo ratings at the completion of the 2019/20 season with only Golden Slipper winner FARNAN achieving a higher rating than Hanseatic amongst the 2yo colts. O'Sullivan applied a higher overall figure for Hanseatic than the likes of Blue Diamond winner TAGALOA, dual Group One winner KING'S LEGACY and Magic Millions 2yo Classic winning filly AWAY GAME.

Hanseatic will stand in 2021 at an introductory fee of \$16,000 + GST with Rosemont's 'pay on live foal' terms applied.

Best Wishes,

**Anthony Mithen**

Dear Anthony,

Thank you for your enquiry relating to **HANSEATIC**.

Put simply, this is an outstanding prospect as his speed ratings were as good as I have measured on a 2yo colt leading into a Blue Diamond.

I believe this is the first 2yo colt to win the *Merson Cooper Stakes*, *Blue Diamond Preview* and *Blue Diamond Prelude* in his first three starts since Champion Colt RANCHER.

His debut win in the *Merson Cooper Stakes* (Sandown, Listed 1000m) was decisive and turned out quite a strong form race given he defeated, rather arrogantly, subsequent 2yo Magic Millions winner *Away Game*.

Hanseatic's following two starts highlighted a real dominance over his fellow colts.

The turn of foot and final winning margin in the *Blue Diamond Preview* (Caulfield, Listed 1000m) was visually impressive but the splits told the real story. He settled wide without cover yet put in a very fast 10.62 split from the 400-200m which was where he put the race to bed.

In the *Blue Diamond Prelude* (Caulfield, Gr.3 1100m), he found himself in trouble and had to defy the pattern of the day yet lengthened impressively to run down Ruler-ship who wasn't stopping. Tagaloa back in 4th only franks the effort.

On my ratings he was clearly the best early 2yo of his generation and one I rated very highly.

He'd be a great get if you could land him. Good luck!

# Hanseatic (AUS)

2017 Ch.H

Street Boss (USA) – Itameri (AUS)

**Hanseatic hails from the great 'Number 1' family**, with both his dam and sire tracing back to this powerful line. Other stallions that trace their dam line to the 1 family include I AM INVINCIBLE, HIGH CHAPARRAL, TORONADO, MORE THAN READY, SHAMARDAL, PIERRO and SHALAA

Hanseatic brings together a multitude of beautiful bloodlines with some of the most successful Australian and American sirelines to stand at stud in Australia.

**Hanseatic hails from the great 'Number 1' family**, with both his dam and sire tracing back to this powerful line. Other stallions that trace their dam line to the 1 family include I AM INVINCIBLE, HIGH CHAPARRAL, TORONADO, MORE THAN READY, SHAMARDAL, ALL TOO HARD, PIERRO and SHALAA to name a few.

When looking at HANSEATIC'S sire STREET BOSS you quickly see he has a strong linking for mares carrying DANEHILL. When you examine his top 10 Australian runners a staggering 7 out of 10 carry a line of DANEHILL with several of his best runners being out of EXCEED AND EXCEL, REDOUTES CHOICE and DANEHILL DANCER mares. Fortunately, for HANSEATIC, DANEHILL will be 4 generations back in any resulting foal, opening the door for mares carrying DANEHILL blood to visit.

When looking at broodmare sires that are strongly compatible with HANSEATIC that bring in the powerful 1 family the list is long - MORE THAN READY, SHAMARDAL, MAGNUS, TEOFILO, TESTA ROSSA, HIGH CHAPARRAL, I AM INVINCIBLE, ALL TOO HARD, TORONADO, PIERRO and SPIRIT OF BOOM.

Of considerable interest is mares via broodmare sires MAGNUS and ALL TOO HARD. Both these stallions trace to the same female family as HANSEATIC and bring duplicates of the great mare SCANDINAVIA. SCANDINAVIA also traces to VAIN and SNIPPETS – any broodmare owners with mares carrying these powerful lines should also consider breeding to double up via the stallion if possible. OLE KIRK is a great example of this with WRITTEN TYCOON carrying a line of VAIN and the female line of SCANDINAVIA and broodmare sire line of BEL ESPRIT both bringing in another copy.

As WRITTEN TYCOON carries a line to VAIN and brings in the 1 family through his sire IGLESIA he is also making a nice match.

Another broodmare sire of special interest is SHAMARDAL as his dam HELSINKI is a full sibling to STREET CRY, doubling up on this sibling set has proved positive in the past.
