A Rosemont / China Horse Club Partnership

Strasbourg - New to Rosemont

Rosemont Stud & China Horse Club are delighted to announce a joint partnership to stand the stunning, Group Two winning juvenile by the great I Am Invincible, STRASBOURG.

A \$750,000 Inglis Easter Yearling purchase, Strasbourg was a dominant, pre-Christmas, debut winner of the annual Max Lees Classic over 900m before a fast finishing 2nd in the \$500,000 Inglis Nursery. Targeted towards QLD, Strasbourg showed an eye-catching turn of foot to win the Group Two Sires Produce Stakes 7f – a race won and used as a launching pad for superstars such as ZOUSTAR & MELODY BELLE in recent years.

Trainer Peter Snowden post race described Strasbourg as an “elite talent” who had taken the eye from an early stage.

“He can really let down when given space this horse and he went from back in the field to leading in a short space of time. I really like him, in fact I’ve liked him for a long time.”

China Horse Club’s Michael Wallace described Strasbourg as physically flawless.

“Hearing how good looking they are is one thing, actually seeing the horse in the flesh is another. As soon as you see Strasbourg you will be booking in. It’s that simple”. stated Wallace.

“We buy a number of horses every year yet this colt stands out as one of the best types we’ve ever purchased. He’s by far the best looking son of I Am Invincible we’ve had involvement in. Not only that, he’s the most precocious son of ‘Vinnie’ we’ve had through the CHC system given he was a dominant debut winner & stakes performer as a pre-christmas 2yo.

He’s got an ideal profile and genetic makeup to be a successful stallion. We’re thrilled to partner with an emerging organisation in Rosemont and excited to be supporting the

stallion with a number of CHC mares.”

Rosemont’s Anthony Mithen feels Strasbourg is a fantastic addition to the Victorian Stallion ranks highlighting a sireline that is one of the most desirable in world thoroughbred breeding today.

“Incredibly excited to partner with China Horse Club on such an attractive horse. He’s a higher performed 2yo than his illustrious sire and a real clone of him physically.

Like Brazen Beau, Strasbourg is a Group 2 winning juvenile by I Am Invincible who also shares the same 2yo Timeform rating as the successful young Darley stallion. In fact, he’s the only I Am Invincible colt at stud to be a winning, stakes performer prior to Christmas. He certainly possesses the early sharpness that is typical of his sire and the turn of foot he showed to win the Sires over 1400m was one of a proper colt.” said Mithen.

Combined with a pedigree full of black type winners and high class 2yo’s, Strasbourg appeals as an intriguing option for breeders who will have the chance to be involved in his career with a limited number of lifetime breeding rights available in him.

“He’ll be set at a very fair fee of \$10,000 + GST (Lifetime Breeding Rights available at \$20,000 + GST). The value in the breeding right is especially hard to ignore given it is two nominations each year for the first three years, then one perpetually. I urge breeders to call in and see Strasbourg for themselves – he is simply next level as a physical specimen.” added Mithen.

Rosemont and CHC have indeed come up with a fun and exciting bonus opportunity for potential lifetime breeding right purchasers
